## **Environmental Alert partners with Ministry of Energy and Mineral Development to support the Energy week 2018 (24<sup>th</sup> - 29<sup>th</sup> September, 2018 at KCC grounds)**

The Energy Week (2017) is an annual energy awareness event organized by the Ministry of Energy and Mineral Development (MEMD) and Partners. It's an annual awareness campaign that is aimed at sensitizing the public about efficient utilization of energy and alternative modern forms of clean energy. The theme for this year's energy week is: ***“Transforming energy sector through increased innovation, investment and integration for future sustainability of Uganda’s energy sector”***. This event is planned for the week of 24<sup>th</sup> - 29<sup>th</sup> September 2017.

Environmental Alert with support from World Wide Fund for Nature (WWF-UCO) has partnered with the Ministry of Energy and Mineral Development to support some of the activities in the energy week.

### **Key Objective of the Energy week;**

#### **Overall objective**

To facilitate the exchange of ideas and discussions on pertinent energy related issues, and engage stakeholders in the energy sector on matters of energy access and sustainable development.

#### **The Specific objectives;**

- i. To increase awareness of the public on utilisation of Uganda’s energy resources so that they can become better stewards in the utilisation of all forms of energy;*
- ii. To create a platform for engaging stakeholders on various aspects of energy sector.*
- iii. To promote the private sector’s involvement in the development of the energy and minerals sector.*
- iv. To promote the sale and utilisation of renewable energy and energy efficient technologies - this will in turn support the private sector in the promotion of their products.*
- v. Demonstrate how energy supports the economy.*
